### Summary:

On 1-1-10 at about 1055 hours, victim Martha Garver was walking eastbound on Carlsbad Village Drive just west of Victoria Ave. This portion of Carlsbad Village Drive is a stretch of road that has several curves in it, and is undeveloped by either residences or businesses.

Garver noticed a green Isuzu Rodeo parked alongside the roadway with its hazard flashers on. As Garver walked passed it, a male exited the vehicle and began walking behind her. The subject was described as white male, between 30-35 years old, 5'8" to 6'0" tall, muscular build with brown curly hair and a mustache. He had on a gray/brown sweater with a design in front, brown pants and brown shoes. He also had a tattoo on his neck.

As Garver walked eastbound, a passerby stopped and asked Garver if the green Isuzu Rodeo was hers. The passerby told Garver that the vehicle was parked in a location that was hazardous to traffic because of the curvature in the roadway. Garver responded that it was not her vehicle. While this conversation was occurring, the suspect who was walking behind her passed her location. After the passerby left, the subject, who was now in front of her, accosted her. He produced a knife and demanded her purse, which

<p>she gave to him.</p> <p>At this point the Isuzu Rodeo, which unbeknownst to Garver was occupied by another male subject drove up and picked up the suspect who had robbed her of her purse. The vehicle was last seen driving eastbound on Carlsbad Village Drive.</p> <p>The investigation is continuing.</p>
